General Information

Short summary

An European online marketplace that connects conscious brands and sustainable manufacturers of apparel, textile and leather products (bags, shoes and accessories) from all over Europe in an efficient, transparent and – most importantly – sustainable way. The platform is looking for new members.

A cooperation may be signed under a supplier, commercial or outsourcing agreement.

Full description

An European the online marketplace that connects conscious brands and sustainable manufacturers from all over Europe in an efficient, transparent and – most importantly – sustainable way. By doing this the platform hopes to be part of a future-proof industry, create more support for local sourcing, providing quality over quantity and helping businesses of all sizes grow. This online marketplace is currently host of more than 6,000 brands and over a 1,000 manufacturers of apparel, textile and leather products (bags, shoes and accessories), who find each other on the platform every day.

A cooperation may be signed under a supplier, commercial or outsourcing agreement.

Advantages and innovations

As a first mover in Europe the online marketplace has created a unique network of brands and manufacturers that have become members of their platform. Their platform has a secure payment system, automatic translator, efficient ordering system, and several plug in services. Everything a brand needs to complete their sourcing needs.

Technical specification or expertise sought

The platform is always looking for new sustainable manufacturers working in Europe with low Minimum Order Quantity (MOQ) to join their platform. On the brand side they are able to help any brand with new sourcing ambitions who want to produce more locally and sustainable.
