General Information

Short summary

A Swedish startup within the field of FemTech looking to add a line of physical products to complement our digital health and wellbeing platform.

Full description

We are looking for manufacturers in Europe that have sustainable private and/or white label solutions for products within the area of female health and hygiene, such as period underwear, post partum products, and more. Sustainability is at the core of our business and we look for long-term partners that can join us on our journey.

Advantages and innovations

Our company is owned 100% by women and everything we do is made with the intention of improving women's lives worldwide. By partnering with us, we will bring your products our internationally and you will also benefit from the increasing demand we see in this market.

Technical specification or expertise sought

To be discussed with the manufacturer depending on products available.
