

Technology & Business Cooperation Days

13 – 16 July 2020

B2B-Meetings: Industry 4.0, resource and energy efficient manufacturing technologies, sustainable energy & mobility and measurement tools

during HANNOVER MESSE 2020

HANNOVER MESSE is the leading international showplace for industrial technologies, materials and product ideas. Technology & Business Cooperation Days at HANNOVER MESSE is the place for enterprises and research institutions to find partners for technology and research cooperations as well as commercial partnerships in pre-organised one-to-one meetings. Since 2002, more than 3800 participants were supported with targeted bilateral meetings, resulting in numerous international partnership agreements.

Organised by the ENTERPRISE EUROPE NETWORK, the world's largest support network for SMEs with international ambitions with special contributions of the networks sector groups Materials, Automotive, Intelligent Energy and the EUROPEAN INNOVATORS initiative, the brokerage events stands for initiating excellent cross-border contacts and collaborations.

Register now!

Registration is free of cost until 29th May 2020! Afterwards we will charge 119 EUR (incl. VAT) per company registration. Entrance tickets and refreshments are included for all participants.
