

# HORIZON 2020

**Secure, clean and efficient energy: building a low-carbon, climate resilient future**  
Buildings in energy transition (B4E) and Smart and clean energy for consumers (EC) Calls

**€12 m** 

**EC-1** Role of consumers in changing the market  
**EC-2** Energy Poverty

**CONSUMERS**

OVER  
**€64 m**

AVAILABLE FOR ENERGY EFFICIENCY PROJECTS SUPPORTING THE EU GREEN DEAL

**€18 m** 

**B4E-2** Sustainable energy skills in the building sector  
**B4E-3** Upgrading smartness of existing buildings  
**B4E-4** Next-generation of EPCs

**BUILDINGS**

**€9 m** 

**EC-5** Public authorities driving the energy transition

**PUBLIC AUTHORITIES**

**€6 m** 

**B4E-14** Next generation of smart energy services

**SERVICES**

**€19 m** 

**B4E-11** Financing energy efficiency investments  
**B4E-12** National Roundtables on Finance  
**B4E-13** Project Development Assistance

**INNOVATIVE FINANCING**

SUBMIT YOUR PROPOSAL BEFORE **10 SEPTEMBER 2020** 

## WHAT DO WE FUND?

-  **INNOVATION ACTION**  
70% funding rate
-  **COORDINATION & SUPPORT ACTIONS**  
100% funding rate

## WHAT DO WE EVALUATE?

### EXCELLENCE

Your project has high potential and advances the state of the art.

### IMPACT

Your solution meets the pressing needs of society and the economy.

### IMPLEMENTATION

Your work plan is effective and efficient.
