

Virtual International Partnering - Innovation in Environment, Energy & Circular Economy

The Enterprise Europe Network at Bayern Innovativ GmbH welcomes you at the **Virtual International Partnering – Innovation in Environment & Energy & Circular Economy**. With this Partnering Event we will facilitate an online exchange of ideas within the fields waste and recycling, renewable energy, energy efficiency, circular economy and other related topics.

The Virtual International Partnering allows targeted networking and matchmaking for participants from all over the world. Make use of that chance and meet your new business partners online.
